

I'll Trust You

James Fortune

verse one

Even though I can't see and I can't feel Your touch
I will trust you Lord how I love You so much
Though my nights may seem long and I feel so alone
Lord my trust is in You. I surrender to You
So many painful thoughts travel through my mind
And I wonder how I will make it through this time

chorus

I'll trust You. Lord it's not easy
Sometimes the pain in my life
Makes You seem far away
I'll trust You, I need to know You're here
Through the tears and the pain
Through the heartache and rain
I'll trust You

verse two

Everything that I see tells me not to believe
But I'll trust you Lord. You have never failed me
My past still controls me. Will this hurt ever leave?
I can only trust You. No one loves like You do.
So many painful thoughts (oh –oh) travel through my mind (travel through my mind)
And I wonder how I will make it through this time

bridge

Through the tears and the pain
Through the heartache and rain (3x)

I can, I will, I must trust You (2x)

I will trust You (4x)

I'll trust You
I'll trust You
I'll trust You
I will (2x)

God will make a way (4x)
